About Us

MARC is India's leading manufacturing brand in Salon furniture and Beauty equipment. Quality, Innovation, Commitment & Trust are the most essential factors that we believe in and that has made Marc the top brand in the Salon furniture segment today.

Headquartered at IMT Manesar, a well-developed and prestigious Industrial Area in Gurgaon, we have our design & development team that is continuously working towards the refinement of designs and improvement of quality. Over the period of time, Marc has perfected its product designs, keeping the user comfort in mind. Our all-new showroom displays the most up-to-date designs of salon chairs, barbers chairs, hair wash stations and salon equipment.

Marc manufactures a wide range of products ranging from Barber Chairs, Unisex Styling Chairs, Hair Wash Stations, Pedicure Manicure Furniture, Hairdressing Trolleys, Nail Art Tables, Beauty machines, Slimming equipment and other professional Beauty tools every year for the salon and hairdressing industry. Marc's salon furniture has not only maintained quality but also has a fine balance of ergonomics, functionality and aesthetics when it comes to design and user experience.

Our modern and fully-equipped state-of-the-art manufacturing unit, is fully loaded with all the latest machinery like CNC Routers, CNC Upholstery cutting machines, Panel Saw machines, Latest sewing machines, Pneumatic tools and CNC Bending machines.

We feel proud that we have partnered with all major leading brands of the Salon & Hairdressing industry in India and are reaching new heights globally every year. All leading Salon brands always choose Marc products for their outlets as they get unique designs, international quality, convenience and an everlasting reliable brand partnership.

With an amazing collection of colours & a variety of finishes available, Marc offers customised solutions in furniture for any salon to stand apart from the rest. As a result, you can get your salon furniture customized in terms of size, leatherette colour and finish.

Marc takes pride in manufacturing quality salon furnishings, creating lasting styles, and developing innovative solutions to salon challenges and opportunities. Our Sales & Marketing team is always there to assist you in choosing the right products for your salon. We constantly endeavour to deliver unparalleled client satisfaction.

State-of-the-art Manufacturing Unit

IN THIS ISSUE

The fusion of design & latest production techniques, combined with in-depth knowledge of salon industry, Marc Beauty manufactures top quality salon furniture under the brand name MARC, as its entrepreneurial commitment.

Spa Bed

Kelly

SPA BED

- Kelly Spa Bed has electrically controlled synchronous backrest and leg rest adjustment.
- The height in this massage table is fixed and cannot be adjusted.
- It is crafted in solid wood frame structure and matching natural wood veneer.
- Kelly comes fitted with pneumatically adjusted stainless steel armrests for guest to easily rest his/her arms during massage treatment.
- There is plenty of storage space underneath and the access to storage can be reached out from both sides of the table.
- Sliding shutters help in space utilization as you don't need any opening space.
- We use Italian PU or Aqua Base Coatings and offer a lot of wood stain options to choose from.

Dimension: L 76" x W 31.5" x H 25"

Grace

SPA BED

- Grace Spa Bed has electric height adjustment; however, the backrest and leg rest adjustments are done manually.
- We have used dual synchronous lifting columns for superior balance & stability.
- The backrest and leg rest raise mechanism are strongly built with mild steel components.
- We use Italian PU or Aqua Base Coatings and offer a lot of wood stain options to choose from.

Dimension: L 75" x W 31.5" x H 28"

Florida

SLIMMING MACHINE

Personal Slimming machines are a simple & effective method to slim down & tone up the body muscle at home. Easy to use, these machines can be used at home while reading, relaxing, or watching T.V. You can relax tense muscles and tone up the body by stepping the rubber electrodes on the abdomen, hips, or thighs. These machines contract and relax your body muscles in the same manner as during the course of regular physical exercise.

Features:

- Tapping, Blinking & stimulation-3 Different frequency levels
- Continuous & intermittent pulse mode selection
- 16 pads to cover the entire body
- Contraction & Relaxation time control knobs
- Digital timer to fix the time duration of treatment
- Individual power control

Dimension: L 9.5" X W 22" X H 7.5"

Cellulite HEAT MACHINE

Widely used by slimming centres in weight loss treatment. This is our most popular model for heat therapy. The rubber pads operate on low voltage and thus it is very safe and simple machine for slimming centres. Comes with three pads - Body, Leg1, Leg2

Features:

- Digital timer with display to fix the time duration of treatment
- Continuous & Intermittent pulse mode for controlled heat transmission
- Three pads - Body Pad, Leg Pad 1, and Leg Pad 2
- The heat pads operate on low voltage for the safety of the client
- Heat adjustment controller for body and leg pads.

Dimension: L 9.5" X W 17" X H 6

ZS 1002

HEAT MACHINE

This is our 5 pads heat therapy machine for the slimming centres. Body Pad, Leg Pad 1, Leg Pad 2, Arm Pad 1 and Arm Pad 2.

Features:
